# LUXO

## INTRODUCTION

**LUXO** is a new acrylic sheet with higher light transmission properties compared to other white tones available in the market, LUXO has a bright white color that is highlighted when it is illuminated with white or color light from led light.

**LUXO** has one glossy side and a matte finish side which allows a more uniform light diffusion and prevents the light source to show the "pin point" effect.

# APLICACIONES

-It can be used indoor and outdoor.

-Signs.

-Point of purchase display.

-Art, design and architecture based on light.

-Acquires the color of the light source.
