

DIGI-HIPS® Plastic Sheets & Rolls for Eye Catching Digital Graphics....

PRIMEX PLASTICS CORPORATION

A subsidiary of ICC Industries Inc.

Large enough to
handle your requirements.

Small enough to
handle your needs.

*Today's digital for
...tomorrow's printing.*

DIGI HIPS®, is engineered to meet the demands of digital printing. This exclusive Primex product features added UV inhibiting, a higher dyne level, and improved impact. Manufacturers of UV digital equipment and solvent* based inking systems recognize the added benefit of using this unique styrene product. **DIGI HIPS®** is available in both custom & standard sizes and colors. Discover the difference **DIGI HIPS®** can make on your graphics!

For more information or samples on **DIGI-HIPS**, please call your **Primex Business Manager**.
