

Plastifab is one of North America's leading custom profile extruders and has over 35 years of experience in providing innovative solutions with both off the shelf and custom products in a vast array of plastic materials:

Standard Stock Shapes:

<u>Materials</u>	<u>Products</u>	<u>Product Range</u>	
Polycarbonate	Rod Tube Plate Profiles	3/16" – 12" diameter ¼" to 12" OD, clear ¼" to 4" Thick Glazing profiles – "H" & "U",	
Acrylic	Rod Half Round Rod Square Rod Triangular Rod Rectangular Strip Round Tube Square Tube Standard Stock Profiles	1/16" to 2" diameter, clear, colors & textures ½" to 1" 1/8" to 1" 1/8" to 1" 1/8" to ¾" ¼" to 12" OD, Clear, colors, ribbed & textures ¼" ID thru 1" OD J-Bar, Step Strip, U-Channel, DR Z-Bar, Zip Track, DR Zip Track, L, W & T	
Polyolefins	LDPE, HDPE, Polypro	¼" to 16" diameter	
	LDPE/HDPE/Polypro Large Tubular Bar	up to 22" OD combinations	
	LDPE/HDPE/Polypro Flexible Tubing Welding Rods	.170" thru 2", Natural and colors 1/8" – 3/16" diameter	
PVC	Solid Rod Flex tubing Welding Rod	Type 1 Gray, 1/16" – 10" diameter 1/8" thru 3" 1/8" – 3/16" diameter	
Acetal/Delrin	Rods Large Tubular Bars Sheet / Plate	3/16" to 12" diameter, Natural & Black up to 22"OD combinations .031" to 4" Thick	
Nylon (Extruded)	Rod Large Tubular Bar Nylon 11 Flex tubing Sheet / Plate	3/16" – 8" diameter up to 22"OD combinations 1/8" to 5/8" OD combinations 0.031" to 4"	

Other standard products include: Special Nylons, Cast Nylons, Hydrel, Polysulfone, Noryl, PET, PBT, ABS, Ultem, PEEK, PVDF, Sintimid, Hytrel, PPS, PPSU and medical grade thermoplastics.

Standard Stock **PROFILES** (PVC & HIPS)

- **Price Tag Mouldings** – C Channels to fit from 3" to 12" tickets
- **Table Skirt Clips, S Clips** – to fit ¾" & 1" table
- **Corner Mouldings** – standard product from house tooling
- **Card and Sign Holders** – Standard product from house tooling
- **H, T, J, L & U Shapes** – Wide range of product offerings
- **Tubular Profiles** – available in our catalogue
- **Slatwall** – several profiles from house tooling

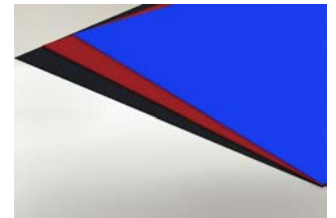

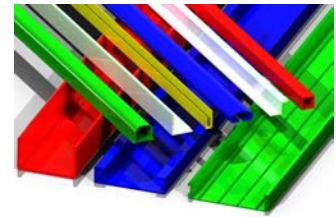

Custom Extruded Profiles

Utility Materials:

- Acrylic
- Lexan® Polycarbonate
- LDPE/HDPE/Polypropylene
- PVC Flexible and rigid
- HIPS (High Impact Polystyrene)

Engineering Materials:

- Ultem® PEI
- Noryl® PPO
- PBT
- PET
- PEEK, PAEK, PEKK
- ABS
- PPS
- PVDF
- PPSU
